FOR SOCIAL RESPONSIBILITY

March 3, 2017

Dear Parents of the North Cow Creek School Community,

Shasta Family YMCA has had the privilege of providing an enriching preschool program for children ages 2-5 at North Cow Creek Elementary School since August 2015. The experience has been so rewarding...the children, parents and school faculty are a joy to work with.

Unfortunately, operating the preschool program has been a struggle financially and the Y needs to make a change in our pricing options in order to continue offering the program.

Effective for the 2017-2018 school-year, the half-day option will no longer be available and only full-day prices are going to be offered. Families may drop off and pick up the children at times convenient for personal schedules during the hours of operation 7:30am to 5:30pm.

The full-day prices are: 3-day schedule \$353 per month. 5-day schedule is \$550 per month.

Shasta Family YMCA accepts third party subsidies to assist with child care payments, as well as offering YMCA Financial Assistance for those who qualify.

In order for the Y to commit to offering the preschool program for the 2017-2018 school-year, we need to have sufficient enrollment by June 1, 2017. A \$50 registration fee for new participants or the \$25 re-enrollment fee for children continuing needs to be included with one-month's tuition upon enrolling by June 1, 2017. If by June 1, sufficient enrollment does not meet the goal for program sustainability, all deposits and tuition will be fully reimbursed to those who had enrolled.

We apologize for having to make these changes but the elimination of the half-day is necessary in order for the program to continue. If you have any questions, please contact me at 530-246-9622.

Sincerely,

A handwritten signature in cursive script that reads 'Linda Delles'.
