Unit members who have reached step 10 or above of Column F shall be compensated \$50 per year for each college unit above 75 units beyond the Bachelors Degree. In no event shall such unit compensation exceed a total of 100 units. In order for employees to receive credit for units earned prior to September 15 of any school year, the employee must have previously provided evidence of such units to the District.

Master Stipend: \$1,250

Board Approved: 12/21/2022
